

Ultra High-Pressure Water Jetters/Blasters

Morclean MC-2070/26D, 2500/25D

The Morclean range of Engine Driven Ultra High Pressure Water Blasters are high performance, cost efficient machines designed for the industrial user.

Features

- In-line valves
- Triplex pump with carbide plungers
- Automatic engine shut-down system
- Throttle control with vernier adjustment
- "Floating" plunger system with water cooling
- Extremely service friendly pump design
- Built-in gearbox & fuel tank with level indicator
- Rupture disc protecting against over-pressurization
- Low water level & pressure cut-off system
- 250L stainless steel water break tank with inlet filter
- Two step water filtration system with booster feed pump
- Non corrosive materials are used in pump, fittings & pipes
- Hot-dip galvanised frame with lifting eyes & forklift pockets
- Control panel with oil-pressure, temperature, hour meter & RPM gauges

Standard Accessories

- 20m 1D 8mm high pressure hose, c/w 9/16" connections
- 7m 1D 5mm high pressure hose c/w 9/16" - 3/8" connections
- Pneumatically operated unloader dump valve
- Pneumatically operated rotating gun with 4 nozzles

Optional Accessories

- Pneumatically operated unloader dump valves for multi gun operation
- Various nozzle carriers for different nozzle configurations
- Trolley mounted gun for horizontal surfaces. (floor cleaner)

Note: Other accessories & attachments are available upon request.

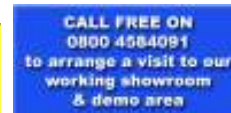

Specification	MC-2070/26D	MC-2500/25D
Pressure (bar/psi)	2070 / 30000	2500 / 36000
Flow (L/min / USgpm)	26.0 / 6.8	25.0 / 6.6
Power Consumption (Kw/Hp)	90.0 / 120.0	113.0 / 150.0
Engine	Deutz 6 Cyl. Turbo Charged Air Cooled Diesel	Deutz 6 Cyl. Turbo Charged w Intercooler Air Cooled Diesel
Engine Speed (Rpm)	1800	1800
Pump Speed (Rpm)	510	510
High Pressure Hose (m)	20+7	20+7
Fuel tank capacity (L)	140	140
Weight (kg)	1800	1950
Dimensions LxWxH (mm)	2600x1450x1800	2600x1450x1800

Industries

- Cleaning contractors
- Building & construction
- Marine & Shipping
- Offshore
- Manufacturing
- Agriculture

Applications

- Removing paint, rust, markings & graffiti on steel & concrete surfaces
- Cleaning scaffolding material
- Removing lime scale deposits & marine algae
- Cleaning construction machinery & equipment
- Deck cleaning and cleaning of cargo hold
- Dust free sand blasting
