

Robin

A robustly constructed range of carpet cleaning machines using tried and tested vacuum motor and pump units. The Robin 15, 20 and 25 are suitable for use in any application requiring a smaller capacity machine, such as car valeting, care homes, hire shops, contract cleaning, office, pub and club cleaning.

Features

- Rigid fibreglass body
- Twin fan tangential discharge vacuum motor
- Flojet diaphragm pump head fitted to brushless induction motor
- Heavy duty slide type dump valve for quick emptying
- Vacuum motor and pump can be operated independantly by individual illuminated rocker switches
- All models supplied with vacuum/pressure hose, main floor wand and stair/upholstery nozzle
- Autocoach Robin available in 110 volt 400Hz for commercial jet aircraft cleaning
